Are you a team player looking for a new opportunity that will allow you to use your landscape and facility maintenance skills? Do you enjoy hands-on, outside tasks? Are you a motivated and reliable technician looking for a career in a stable industry? If this sounds like you, apply for our Tifton openings today at www.inframark.com/careers/.

ESG Operations, an Inframark Company is hiring a Public Works Technician to join our Tifton, GA team. You will complete projects involving landscape and maintenance of public property in the city of Tifton, GA. We would ask you to be responsible for operating related equipment to ensure work orders are completed correctly and on time.

As a member of the ESG Operations team, you will:

- Operate equipment such as backhoes, jackhammers, chain saws, lawn mowers, chippers, leaf machines, weed eaters, concrete saws, paint strippers, or tractors with bush hogs in compliance with OSHA and ESG safety regulations.
- Mow and trim assigned property; remove brush, tree limbs, and leaves with chipper and leaf machines; clean alleys and right-of-ways; trim hedges and sidewalks.
- Plant and fertilize trees, shrubs and flowers as directed; spray for weeds in flower beds and on lawns.
- Perform cleaning tasks in assigned area, such as sweeping, mopping, emptying trash receptacles, cleaning grit screens or grates, picking up trash/debris, or hauling refuse and recycling material to landfill.
- Repair sidewalks and other concrete areas; resurface and repair roadways; maintain roadway curbs, crosswalks, and stop bars; finish concrete; clear roadways of debris.
- Performs minor building repairs, including minor electrical and plumbing repairs and/or painting tasks; assist with maintenance of departmental equipment; fuel trucks.
- Assist in sodding and landscaping property; assist with storm clean up; repair fences; remove animal carcasses from roadways.
- Clean and repair drainage structures; lay pipelines; expose existing utility lines to aid heavy equipment operator and keep operator away from obstacles
- Assist with the installation, cleaning and maintenance of roadway traffic and informational signs
- Assist with the preparation of public events, festivals, parades and ceremonies, including installation of decorations, assembling stages and structures, and maintaining garbage disposal bins during an event.
- Direct and control traffic at work sites.
- Attend safety classes, reinforce and comply with company safety policies.
- Work harmoniously with ESG employees and the public and comply with all ESG policies.

Qualifications

An  **INFRAMARK** Company

Public Works Technician, Tifton

Prefer six months of related experience, high school diploma or GED, or specialized vocational training. Must have a valid state driver's license and meet minimum driving standards.

Knowledge of: Basic math to include addition and subtraction.

Skill in: Handling or using machines, tools, equipment or relevant work aids. Job involves some latitude for judgment regarding attainment of a standard or in selecting appropriate equipment.

Ability to: Read simple sentences or instructions; write simple sentences; speak simple sentences using basic grammar. Perform semi-routine work following procedures with occasional problem-solving required; requires normal attention for accurate results.

Physical requirements: This position requires frequent standing, kneeling, bending and climbing. The employee must be able to use hands to operate and manipulate tools and equipment. This position requires very heavy physical exertion including the ability to lift over 50 pounds and exert over 100 pounds of force on a regular basis. The employee must be willing to work non-standard and overtime hours as required. The position requires normal visual acuity and field of vision, hearing, and depth perception.

Compensation is commensurate with experience and includes a generous benefits package with health, dental and life insurance, 401(k) plan, paid time off, sick leave, holidays, and wellness plan.
